

About UMCH

UMCH serves boys girls in the Child Residential Center located in Worthington and through Treatment Foster Care located in Reynoldsburg. Wesley Family Services offers family support and counseling to communities throughout Ohio.

UMCH provides children with a safe and secure transitional home, with the goal of assisting them to overcome lives of abuse and neglect, by providing hope and teaching important family values with unconditional Christian love.

At UMCH, we continue to believe that the spiritual needs of children are as important as their physical, emotional and intellectual needs. Today, spiritual care remains an essential part of our ministry to troubled children and their families.

OUR MISSION

To strengthen our community by providing care, nurture and treatment for hurting children and families.

OUR VISION

To be the premier, faith-based family services and children's treatment ministry in Ohio.
