

\$5 on the 5th | December 31 - Give Hope!

The need is great but the workers are few. Today, more children and families are in need than ever before and there is far less funding to help them. UMCH Family Services serves those families and children who would otherwise fall through the cracks. Help us keep that from happening. Your donations help these families and children who need you. In fact, one by one, you are helping give hope to children in Ohio through this mission.

Thanks to your financial gifts, children and families become stronger through UMCH Family Services. God is doing amazing things through your dollars – providing homes through Treatment Foster Care, finding permanent homes through Adoption, and strengthening homes through Outpatient Mental Health Services.

UMCH Family Services gives hope to children:

- Who have been removed from their homes, through no fault of their own, in need of a loving foster family.
- Who are waiting for their permanent adoptive families.
- Who are suffering from emotional, behavioral, and mental health issues.

If EVERY member of EVERY United Methodist Church gave just \$5 or more today, it would provide holistic treatment and quality care for these children we serve who so desperately need it. For the cost of a cup of coffee you could offer hope to the children we serve.
