

UMCH Family Services Adoption Program

Are you interested in adoption?

Adoption is a big decision and one that requires careful consideration. The most recent statistics in Ohio show that right now there are more than 2,700 children in our state who are ready and waiting to be adopted. Many of these children have suffered a lifetime of abuse or neglect before entering into the Foster Care System. We are always in need of dedicated, loving families who are willing to open their hearts, minds and doors to children in need. UMCH Family Services Adoption Program offers both “foster to adopt” and “adoption only” programs. If you feel that you are able to provide a stable home with one or two parents, and are willing to accept a child in need of a permanent family, we would love to meet you. We welcome and work with people from all walks of life and ethnicities.
